EDUCATION

Assam Engineering college

Bachelor of Technology in EEE

Guwahati, Assam, India

2023 - 2027

Madhab choudhary college

12th in Science

Barpeta, Assam, India

2020-2022

EXPERIENCES

GDSC AEC — Member

PROJECTS

Sky Sync | *HTML, CSS, Javascript*

[link](#)

- Developed a responsive weather application using HTML, CSS, and JavaScript, enhancing user experience with real-time weather updates.
- Implemented dynamic data fetching from weather APIs to provide accurate and current weather information.
- Designed and styled a user-friendly interface with CSS, ensuring cross-browser compatibility and mobile responsiveness.
- Integrated JavaScript functionality to handle user inputs and display weather data interactively, improving usability and engagement.

Insight | *HTML, CSS, Javascript*

[link](#)

- Created a dynamic news website using HTML, CSS, and JavaScript, delivering up-to-date news content through real-time data integration with news APIs.
- Designed and implemented a responsive layout with CSS to ensure a seamless user experience across various devices and screen sizes.
- Utilized JavaScript to fetch and display live news articles, providing users with the latest headlines and detailed information interactively.
- Enhanced user engagement by developing features such as search functionality and article filters, improving navigation and content accessibility.

ACHIEVEMENT

Google Cloud Computing Foundation from Google

- Earned the Google Cloud Computing Certificate, demonstrating proficiency in Google Cloud Platform (GCP) services, including compute, storage, and data management solutions.
- Gained hands-on experience in deploying, managing, and scaling cloud-based applications, enhancing skills in cloud architecture and infrastructure optimization.

Programming in python certification from Meta

- Completed the Python for Everybody Specialization from Meta through Coursera, acquiring foundational and advanced Python programming skills for data manipulation, web scraping, and automation.
- Gained hands-on experience with Python libraries and frameworks, including proficiency in writing efficient code and solving real-world problems through projects and assignments.

TECHNICAL SKILLS

Languages : C, C++, Python, Javascript

Frontend : HTML, CSS, Javascript, Bootstrap, Tailwind, React js

Developer Tools: Bash, Git, GitHub, Vercel, Replit
